

How should we treat others?

Venn Diagram:

Ask pupils to fill in the diagram below, with something unique that each religion or world views teaches about how we should treat others, and then placing ideas they all share into the circle in the middle.

In October 2018 the BBC reported at <https://www.bbc.co.uk/news/uk-45874265>
“Police have recorded a surge in hate crime directed at people in England and Wales because of their religious beliefs.”

This has continued to rise from 5,949 in 2016-17 to 8,566 in 2019 according to Home Office data

Questions to discuss on your table:

- A. Who do you think are the people who are committing religious hate crime?
- B. Why have we seen a surge in the rate of religious hate crime?

Question to write an answer to:

1. What would you say to the people who bullied Joe in the sketch we first watched at the start of our lesson today? In your answer refer to religious and world views teachings as well as ideas from Ranvir’s think piece.
