Create your own Diamond 9

Read the information about pilgrimage on pp. 32–33 and Tulsi’s personal account (online Resource 7.3). Try to identify nine different reasons why a Hindu might view pilgrimage as important and/or beneficial. Use nine cards or sticky notes. Write a benefit/reason on each one.

Take your sticky notes and arrange them into a diamond 9 – with the most important benefit at the top and the least important at the bottom.

Finally, write the reasons for your top and bottom choices.
