

Our asks of the next Government?

High quality RE for all children in all schools, taught by well qualified and trained teachers

IMPROVE

recruitment through funded SKEs and increased bursary

INVEST

in ITT and professional development through RE Hubs (and subject knowledge CPD for those teaching in schools)

INSTIGATE

a curriculum benchmark using The National Content Standard for RE in England

INSIST

that all pupils are taught RE, preparing them for the community, for work and to understand the world

A National Plan for RE in England
