‘Chatting to the RE commissioners: your chance to tell them about RE in your school’

06 November 2017

Ben_Wood_RE: Welcome to #rechatuk & our look at the Commission on RE interim report. This is just one of the chances for you to comment on the proposals

11/6/2017 8:00:03 PM

Ben_Wood_RE: I'm hosting this #rechatuk and we'll work through the 5 areas of consultation in the order presented, with time at end for other comments

11/6/2017 8:00:15 PM

Ben_Wood_RE: The record of this #rechatuk will be sent to the Commission, though we'd like you all to respond to the consultation <https://t.co/rvHCE81amk>

11/6/2017 8:00:26 PM

Ben_Wood_RE: We're joined by one Commissioner, @albri18. His job is to help clarify areas of consultation and listen to what you have to say #rechatuk

AndyLewis_RE: Had to mute @RS_RE_P4C_UK - is this anything to do with @TesResources ? It's annoying #REchatuk

Ben_Wood_RE: #rechatuk Q1a the National Entitlement – is it a good idea? Should it apply to ALL schools? Should Locally Agreed Syllabuses be dropped?

11/6/2017 8:01:30 PM

Ben_Wood_RE: #rechatuk Q1b Does it cover the right things? How detailed should it be? Does it need programmes of study? Who should write them?

11/6/2017 8:01:43 PM

albri18: #REchatukThanks Ben. Reminder...the report is Interim and will change. Commissioners still listening, gathering evidence and thinking.
